

The First Year Mentorship Group

This is a mentorship opportunity for recent graduates to continue professional growth and development in the familiar surroundings of the prepared environment of the Montessori Institute of Atlanta. Led by Joen Bettmann, Director of Training, we will explore common challenges and support each other in staying true to the principles which guide our pedagogy. In order for us to fan the flames of interest for the child, we must maintain our sense of wonder. Return to your Institute for nurturing, collegiality, and growth.

We will meet five times throughout the year. Bring your calendar to the first meeting on **Monday, September 24** and the group will decide on the dates for the remaining four meetings.
