

Mentorship

Responsibilities of a Mentor:

- Establish initial contact at the upcoming meeting, and then by phone or email as you feel it would be helpful with your mentee. Based on both of your needs and time, create the kind of relationship that will work best for both of you.
- Be available to answer questions regarding time management, organization, study skills, and other experiences from your own training that were helpful. Remind the trainee about BALANCE – including ways to enjoy oneself in Atlanta.
- It would be nice to send a card wishing them well in the course, especially in November and February!
- Support the trainee during the written and oral exam period. This may include a telephone call, a card a walk, some relaxing tea, or some flowers. Sometimes it is also helpful to serve as a tutor, but please discuss this with the Director of Training.
