Hollister Montessori School is seeking an AMI trained Elementary Guide for the 2020-2021 school year. The class is an established group of 1st – 3rd year students. Currently, there are 10 students in the class, with the possibility of about 12 for the coming year.

The ideal candidate is a lifelong learner who is joyful, warm and professional in their daily interactions with children, families and colleagues. Confidence, professionalism, a nurturing demeanor and a sense of humor are important characteristics. A strong respect for and love of children centered in an understanding of the Montessori philosophy are essential. We look for a long-term commitment to Hollister Montessori School.

Hollister Montessori School opened in September 1998 with a class of 3 and 4 year old children. As interest in the Montessori program grew, an elementary class was added in September 2006. We are still a small school with 1 Primary and 1 Elementary class. Hollister is currently experiencing a growth spurt and we anticipate that HMS will be growing over the next few years. We have a dedicated group of guides and families interested in seeing the school continue to offer an outstanding Montessori program.

Hollister is located on the central coast of California, near Monterey Bay. It is about an hour and a half south of the amazing city of San Francisco, 40 minutes from the Monterey Bay, 3½ hours from Yosemite National Park and 35 minutes from Pinnacles National Park. We enjoy a mild climate at the southern end of the beautiful Santa Clara Valley.
