

Dear AMI Trainers,

My name is Samantha Kunio and I am a Primary Guide and Assistant Administrator at an AMI school in Libertyville Illinois, Alta Vista Montessori School. We are currently looking for two AMI trained guides to join our staff in the new academic year starting mid August 2020. We need a Primary guide and an A to I trained guide for a toddler community. Both are established classrooms with a mixed age range and a full set of materials. We are open to a newly trained guide.

It is very difficult to find AMI teachers in our area due to distance from training facilities. I am writing to you to see if you have a job board at your training center or if you know of any current or past trainees that would be interested in a job in the northern Chicago suburbs. We have an ad posted on the AMI job board, but we are also contacting training centers to help get the word out. We are committed to upholding AMI standards and our school has been in operation since 1998 and we have been a recognized AMI school since our opening.

We have successfully sponsored guides in the past who still are employed at our school, we have one assistant currently in the middle of her sponsorship, and are actively recruiting assistants that could be sponsored in the future. However, for these two positions open this August, we do not have anyone via sponsorship available.

Any interested parties can send their resume to my email at samantha@altavistamontessori.com.

Thank you for your time and consideration,
Samantha Kunio
