What Will You Do? As a Teacher Leader you will:

- Learn about Wildflower, develop plans, and bring your school to life through our supported School Startup Journey
- Collaborate with another Guide Leader to develop a vision for an authentic Montessori school or work within an existing team that serves the diversity of the local community.
- With the financial and operational support of the local and national Wildflower teams, find and prepare a school site - this generally involves identifying, leasing and renovating shop front space
- Design and create a prepared Montessori environment in alignment with your vision and local regulations
- Actively market your school to recruit and enroll a racially and socioeconomically diverse mix of children and families

What Will you Bring?

- A deep commitment to authentic Montessori - Your expertise will position you to be a highly effective facilitator of children's learning and to extend the values of Montessori to include the adults within your school community.
- Entrepreneurial leadership - Your default mode is "yes." You are flexible, open-minded, see opportunity in obstacles, and are energized by using creativity and resourcefulness to create solutions to problems.
- Commitment to serving diverse and multifaceted communities - You are eager to expand access to Montessori for racially and socioeconomically diverse communities and are committed to supporting the development of intersectional communities.
- Generosity of spirit - You live with kindness, practice gratitude and lead with love. You seek advice openly and are comfortable working in a non-hierarchical organization.
- Willingness to work hard - You have the aptitude, stamina, time, and appetite to rise to the challenge of starting and leading your own school. You will not be alone, but you will be busy.
- A desire to learn and grow - You are eager to stretch beyond your current experience, to develop new skills and expertise and to more fully explore your purpose and potential.
- A background working in mixed age Communities - You have deep experience working with 3-6 year old students as a trained Montessorian and you want to explore the possibilities beyond conventional schools.
